Technical drawing of the ERM 1000 terminal block, showing isometric, front, and side views with dimensions and mechanical area markings.

Isometric View (Top Left): Shows the 3D structure of the terminal block with four screws on the top cover and a mounting bracket on the side.

Front View (Center): Shows the terminal block with four terminals (two on the left, two on the right) and a central mechanical area marked with a dot. Dimensions: 148 (total width), 110 (width between terminals), 19 (terminal width), 160 (total height), 100 (height between terminals), 30 (terminal height), 48,8 (width of mechanical area).

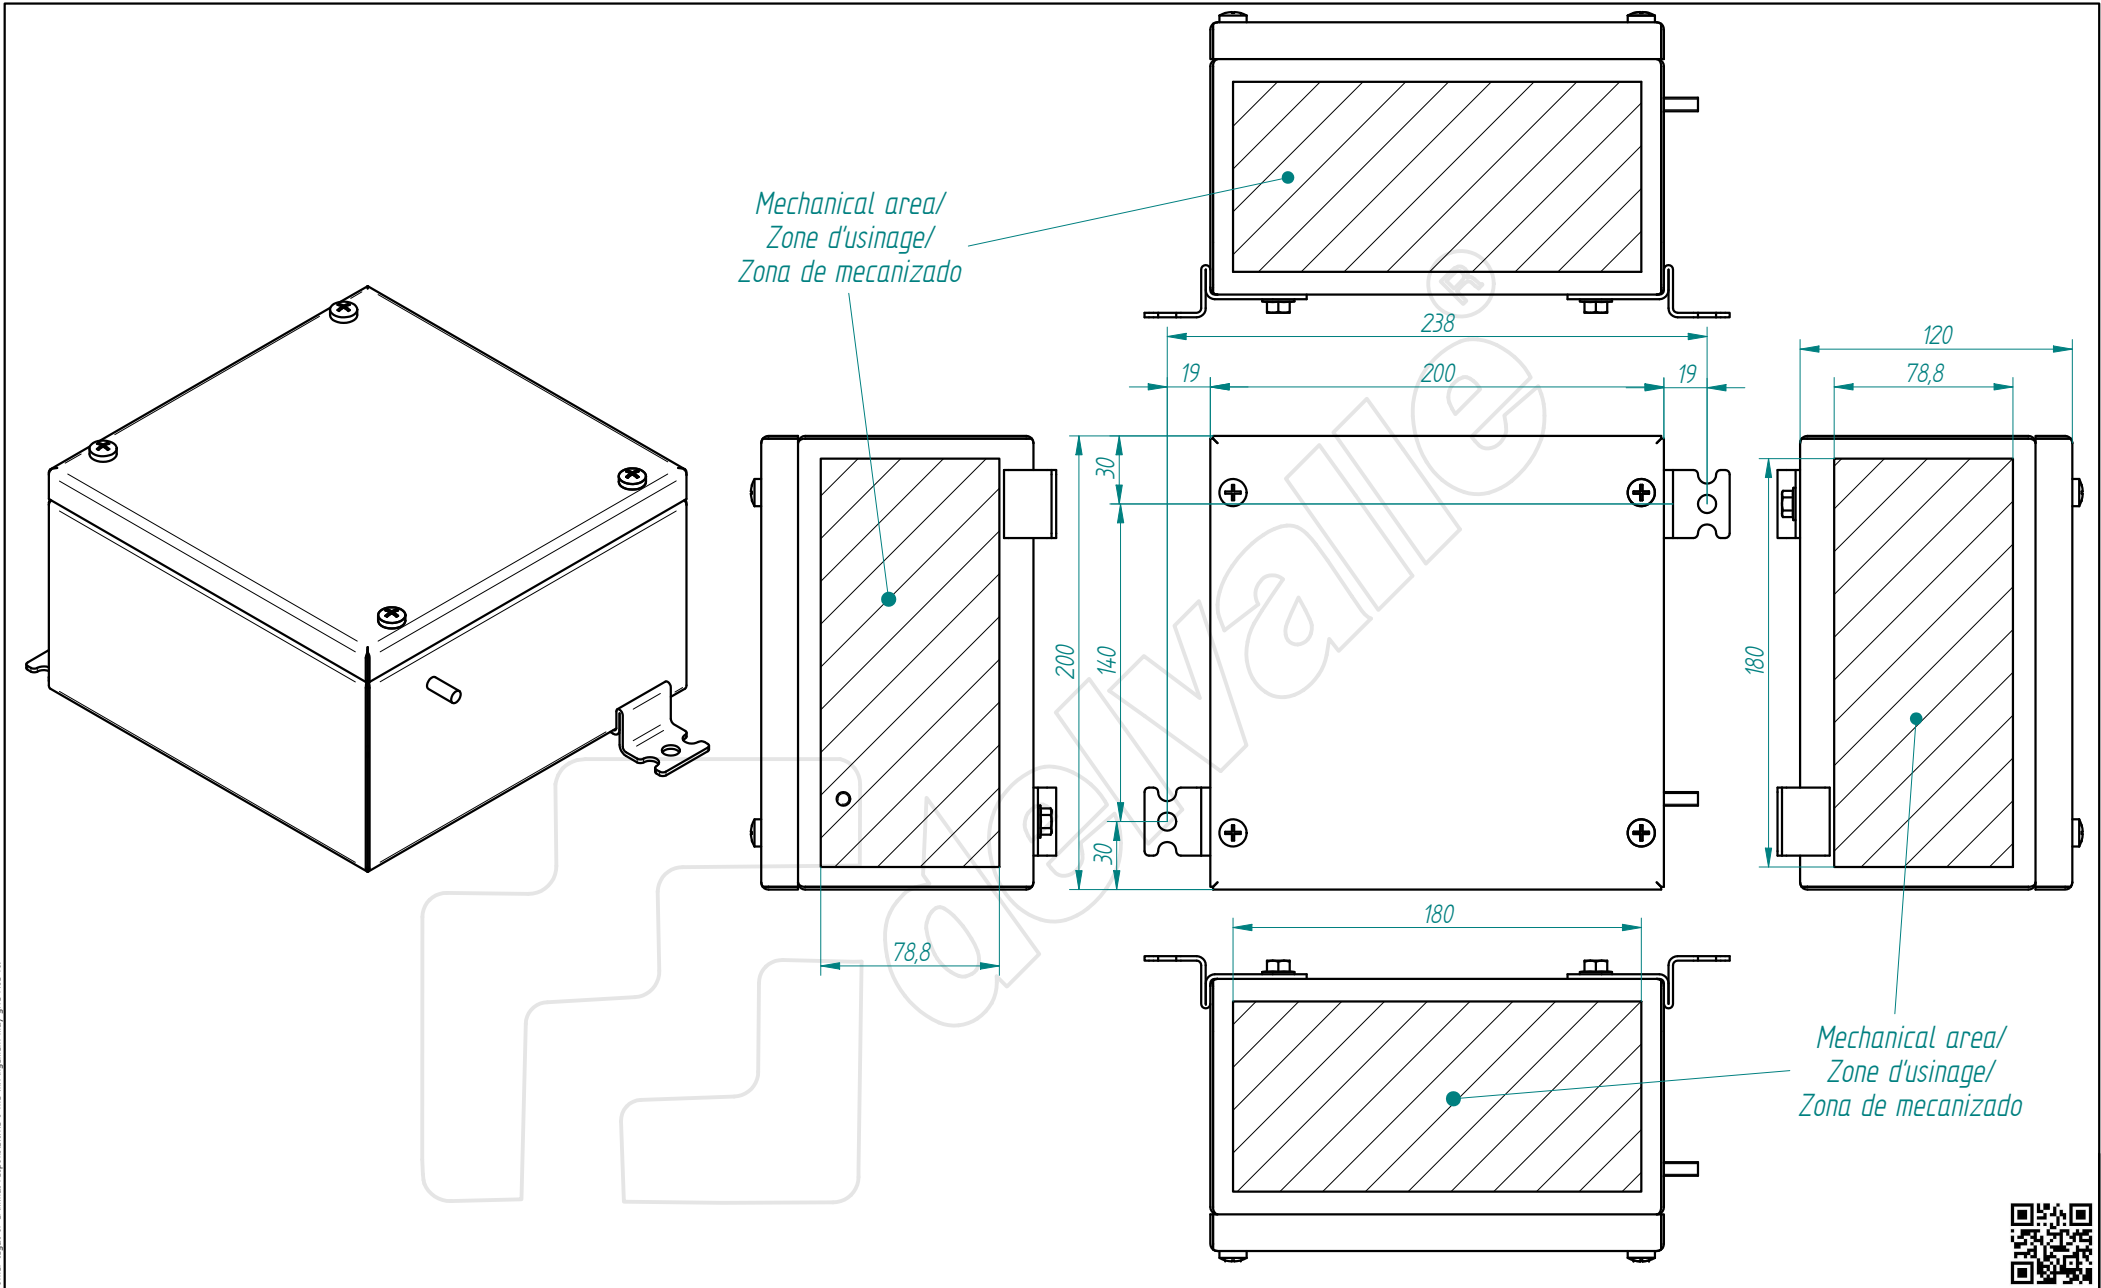

Side View (Right): Shows the side profile of the terminal block with a mechanical area marked with a dot. Dimensions: 90 (total width), 48,8 (width of mechanical area), 140 (total height).

Mechanical Area Markings: The text "Mechanical area/ Zone d'usage/ Zona de mecanizado" is repeated three times, pointing to the mechanical area in the front, side, and top views.

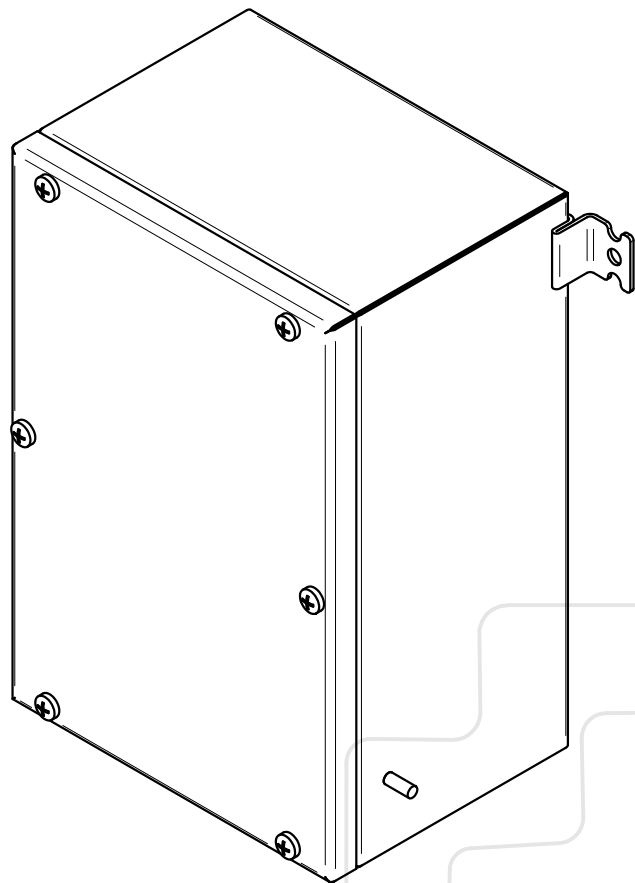

Dimensions:

- 148: Total width of the front view.
- 110: Width between terminals in the front view.
- 19: Terminal width in the front view.
- 160: Total height of the front view.
- 100: Height between terminals in the front view.
- 30: Terminal height in the front view.
- 48,8: Width of mechanical area in the front view.
- 90: Total width of the side view.
- 48,8: Width of mechanical area in the side view.
- 140: Total height of the side view.
